# THE HAVER PARTS MANAGER ON CD

## Expedite your spare parts ordering process!

Benefit from the simple and automated spare parts ordering process with the HAVER PARTS MANAGER on CD.

## Save time by eliminating the process of searching and identifying of spare parts.

Features such as an easy to operate search function and navigable organized part drawings with hotspot function allow to locate the required HAVER parts for your packing machine in a very quick and efficient way.

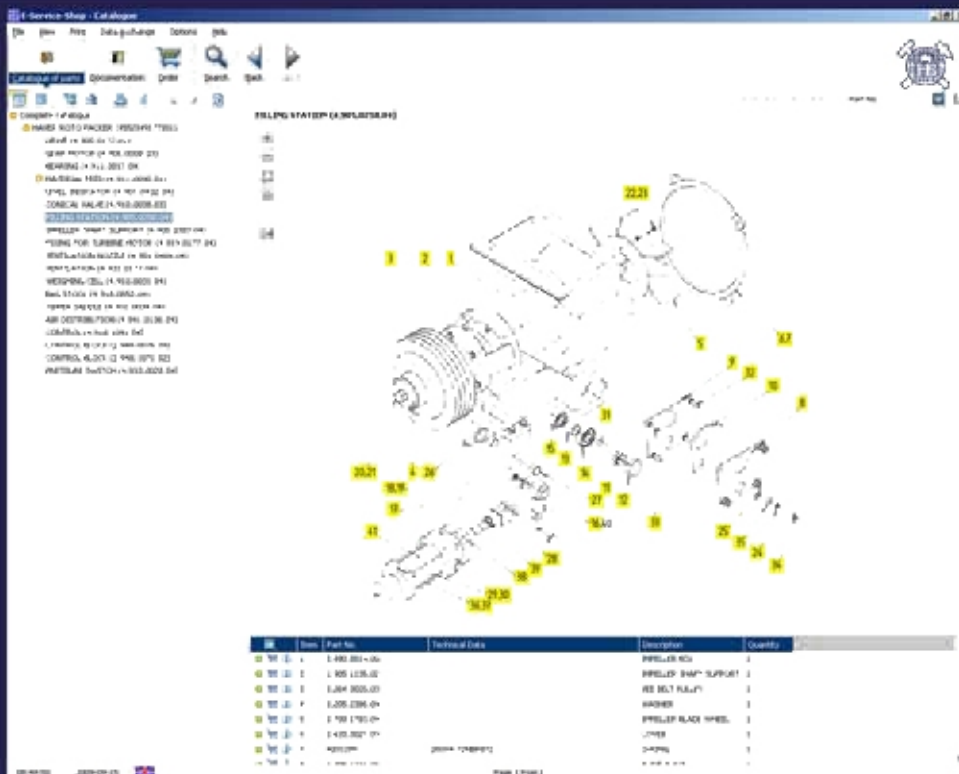

## Immediate order processing

Order required spare parts online or request an individual quotation.

## Cost-effective, quick and efficient

With the HAVER PARTS MANAGER you order up to four times faster vs. the traditional ordering system (i.e. phone, e-mail or fax)

Order in 3 steps:

- 1 Select the required module
- 2 Highlight the required spare part in the zoom able part drawing
- 3 Place it in the digital shopping cart
